DOG TRAINING TERMS & CONDITIONS

This service agreement contract is between Big Paw Services and _____
Pet Guardian

The parties herein agree as follows:

- 1) I (or my homeowner's insurance) will be responsible for any injury (i.e. pet bite, scratches requiring medical attention, etc.) to Dog Trainer due to the pet(s) or condition of premises.
- 2) BPS, its employees, and independent contractors agree to provide the services stated in this contract in a reliable, caring, and trustworthy manner. In consideration of these services and as an express condition thereof, the Client expressly waives and relinquishes any and all claims against said Dog Trainer / BPS except those arising from negligence or willful misconduct on the part of the Dog Trainer.
- 3) All dogs must be fully vaccinated and licensed by their city.
- 4) I understand that this contract is for training only and will not include any other services.
- 5) In the event of personal emergencies or illnesses to dog trainer, BPS will do their best to notify client as promptly as possible and compensation will be given to client either by refund or credit to future services.
- 6) I understand that this contract may also serve as an **INVOICE** and I take full responsibility for prompt payment of fees. A handling fee of \$20 will be charged to all returned checks.
- 7) Payment is required by time of service detailed in the invoice and must include any additional fees or charges. Check or cash is accepted at this time and can be made out to BPS. Client understands this contract and takes responsibility for prompt payment of fees. For Credit Card payment a separate billing request will be emailed to the client.
- 8) I further authorize this contract to be valid approval for future services permitting BPS to accept my telephone or email reservations for other services and enter my premises without additional signed contracts or written authorizations; however, an invoice stating the new or additional service will be created and delivered to me.
- 9) **Cancellation Policy:** A minimum of 24 hours cancellation notice is required, except in the case of extreme emergency. Cancellations made within 24 hours of scheduled appointment will be charged at the full rate. If client wants a total cancellation of all training dates and services with BPS, please make these wishes known in writing either by mail or by email to receive your reimbursement for services unrendered.
- 10) BPS reserves the right to terminate this contract at any time before or during this term.
- 11) **Total agreed upon payment** is detailed in the invoice stating total payment due, type of service, and specific term dates.
- 12) **Liability Limitation:** The client acknowledges that it is accepted that dog training will not provide exact expected results. Each dog is different in regards to ability, intelligence, and temperament. BPS makes no expressed, or implied, guarantee to the results reached in training or to the level of competency reached by the canine.

The successes of training strongly depend on three factors: an owner's willingness to heed the advice of the trainer (the professional), proper reinforcement at home, and maintaining an open line of communication with the trainer. Cooperation from all parties (trainer, client, and canine) is essential for the success of the training or behavior modification.
